Mr. Allen Welsh Dulles
Director Central Intelligence Agency
2430 "E" Street, North West
WASHINGTON, D.C.

Learning through the press the illness of your brother, the Secretary of State Foster Dulles, I wish to express my sincerest wishes for his quick recovery. The statesman of wide-world reputation that is your brother, one of the most prominent personalities of the Free World and one of the great, if not the greatest, defender of free countries against the Russian imperialism and militarism, is rather necessary to all of us in this difficult hour.

Please God that he may soon recover from his illness.

I have the honour to be,

Yours very truly,
